

# Momentum Trading Strategy Backtest History (23rd April 2021 - 20th July 2021)

## 57.45%

Success Rate

## 42.75% p.a

expected return based on conditional probability on  
a success rate of 57.45%

**NOTE:** The algorithm fails to take into account the time of announcement of results. Hence, the number above is a very conservative estimate. The actual success rate is expected to be atleast **67%**. Other errors may also exist
